

Getting a Library Card

To receive a library card, you must provide a photo ID and complete an application form. Children under the age of 12 must have a parent/guardian present in order to issue a library card to them. Any person over the age of 12, who does not own an ID, can have a parent vouch for him/her. The person getting the library card must be present at the time the library card is issued. Library card applications can either be downloaded from this page or obtained at the front desk of the library.
