## Thursday - Bellefonte Hooks & Needles

Thu, 02/07/2013 - 1:00pm - 2:30pm

The Centre County Library Hooks and Needles are a group of knitters, crocheters, and crafty people who meet once a week to share their projects, knowledge, and enthusiasm for fiber arts. They have worked on several charitable projects, including patchwork lap blankets out of knitted or crocheted 8x8in squares for the Alzheimer's ward at Centre Crest, and 4x7in prayer patches for soldiers overseas to carry with them. Hooks and Needles meets every Thursday from 1:00-2:30 in the Centre County Library in Bellefonte. All skill levels are welcomed, we love to share our enthusiasm and knowledge with new faces!
