

Centre County Library Bookmobile

“Bringing the library to you since 1942.”

The Centre County Library Bookmobile is a fully accessible library-on-wheels! We take all of our library services on the road to meet the needs of patrons who may not be able to get to a formal library facility. Use the Bookmobile just like you would any other public library: sign up for a free library card, request books and other media, browse the collection on the bookmobile and visit during storytimes as well!

PLEASE NOTE: Check schedule below for stop dates.
